CORE VALUES AT PATUCK

- **Focus on Quality**

The quality of teaching-learning is given highest importance. We provide academic freedom to our staff members to impart intellectual excellence to our students. We are committed to provide an enabling environment to our students with respect to physical infrastructure, cultural competency, employability and other life skills. We value our staff, students and other stakeholders and provide them a delightful experience in our campus.

- **Integrity**

Our College is committed to transparency, equity social justice and respects diversity at workplace. We engage in ethical and moral behavior and foster the same among our students.

- **Social Responsibility**

Our constant endeavour is to develop students as responsible citizens of the nation. We are actively involved in community development and environment stewardship.

- **Teamwork**

We believe that teamwork can achieve that a single employee cannot. We promote a cohesive and an effective team as it brings synergetic results.

PRINCIPAL'S MESSAGE

Dear Students, Faculty Members and all Stakeholders,

As we reflect on the past Academic Year, it is with immense pride and gratitude that I address you through this Annual Report. The journey we have undertaken together has been one of growth, due to our unwavering commitment and faith towards our mission of excellence in education.

This year has been marked by significant achievements and transformative changes. The NEP 2020 created a new education dimension and called for various creative transformation in the pedagogy. At the Institute, preparations began well in advance to embark on the NEP principles from the subsequent Academic Year.

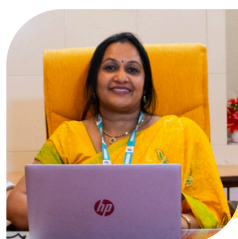

Our dedicated faculty members continue to inspire our students, fostering an environment where learning is fun and research is the norm. Our students have demonstrated remarkable creativity in adapting to evolving challenges and have achieved for themselves and the Institute in the areas of research, social responsibility and extra-curricular.

These achievements and advancements are not just reflections of our growth but also of our focused mission to providing a holistic and forward-thinking education. The success of these initiatives is a testament to the collective efforts of our faculty, staff, and students, all of whom have contributed to making this year very memorable.

Moreover, our engagement with the wider community has strengthened, as we continue to build partnerships and collaborations that enrich our educational offerings and extend our impact beyond campus.

As we look forward to the future, we are excited about the opportunities and challenges that lie ahead. Our focus remains steadfast on nurturing the potential of every student, advancing research, and fostering a vibrant and inclusive academic community. Together, we will continue to push boundaries, embrace innovation, and strive for excellence in all that we do.

Thank you for your unwavering support and for being an integral part of our College journey. Here is to another year of shared success and continued growth.
